

# INTERPRETIVE POLICY ANALYSIS CONFERENCE 2021

**Panel title:**

*OP - Open Panel*

**Panel convenors:** IPA advisory board

**Submit your paper abstract to:** [ipaconference2021@gmail.com](mailto:ipaconference2021@gmail.com)

The Open Panel is available for papers which do not specifically address the interests of the themed panels but which nonetheless address theoretical, empirical, methodological and/or practical issues in any area of interpretive policy analysis. Papers contributing to the broad interests of interpretive policy analysis may include exploring issues such as:

- critical discourse analysis
- discourse analysis
- discourse theory
- narrative analysis
- frame analysis
- political economy
- cultural political economy
- governance
- social practice theory
- STS
- ethnography
- participatory action research
- grounded theory
- hermeneutics
- poststructuralism
- critical realism
- feminism
